PERSONAL PROFILE

Dedicated and highly organised professional with extensive experience across healthcare administration, pharmacy operations, clinic administration, customer service and voluntary care services. Holds an MSc in International Business Management, alongside a Bachelor of Commerce and Bachelor of Education, providing a strong combination of business, administrative, communication and people-management skills. Currently undertaking ongoing voluntary experience with Be Hope Services, developing practical knowledge of domiciliary care, care planning, service coordination, safeguarding, health and safety, CQC requirements and person-centred service delivery. Seeking a Registered Manager position within domiciliary care, with a strong commitment to supporting safe, effective, compassionate and well-led services and achieving positive outcomes for service users.

CAREER OBJECTIVE

To secure a Registered Manager position within a domiciliary care organisation where I can apply my healthcare administration, business management, organisational and voluntary care experience to support the delivery of safe, high-quality and person-centred services. I aim to contribute to effective service coordination, regulatory compliance, quality improvement, staff support and positive outcomes for service users.
